**RESPONSE (F) AFTER FINAL**

Applicants have the following response to the Final Rejection of February 9, 2006.

Applicants will address each of the rejections in the order in which they appear in the Office  
Action.

Claim Rejections - 35 USC §112

In the Final Rejection, the Examiner rejects Claims 1-16 and 20-31 under 35 USC §112, first  
paragraph, as failing to comply with the enablement requirement. This rejection is respectfully  
traversed.

More specifically, the Examiner is contending that the "specification has not enabled one  
with ordinary skill in the art to combine the features of the Fifth (figures 7A and 7B), Sixth (figures  
12A and 12B), and Seventh (figures 13A and 13B) Embodiments without undue experimentation."
